

MEETING the GLOBAL CHALLENGE

AGENDA

- 8:00 – 8:45 am** **Breakfast and Registration**
- 8:45 – 9:00 am** **Welcome and Opening Remarks**
- Kenneth Luongo, President, Partnership for Global Security, United States
 - Alexandra Toma, Program Director, Connect U.S. Fund, United States
- 9:00 – 10:00 am** **Opening Keynote: The Nuclear Terrorism Threat**
- Review of the global threat of nuclear terrorism and why every state has a stake in its prevention.
- Robert Gallucci, President, The John D. and Catherine T. MacArthur Foundation, United States
- 10:00 – 11:30 am** **Regional Progress and Challenges to Securing Vulnerable Nuclear Materials in Four Years**
- Regional overview of the practical steps, technical tools, and political considerations impacting the objective of securing all vulnerable nuclear material.
- Moderator/Commentator:** Kevin O'Shea, Minister (Political), Embassy of Canada to the United States, Canada
- **South America:** Irma Arguello, President, Nonproliferation for Global Security Foundation, Argentina
 - **US/EU:** Matthew Bunn, Associate Professor of Public Policy; Co-Principal Investigator, Project on Managing the Atom, Harvard University, United States
 - **East Asia:** Li Hong, Secretary General, China Arms Control and Disarmament Association, China
 - **South Asia:** Pervez Hoodbhoy, Professor, Quaid-i-Azam University, Pakistan
 - **Russia/Eurasia:** Gennady Pshakin, Head of Analytical Center for Nonproliferation, Institute for Physics and Power Engineering, Russia
- 11:30 – 11:45 am** **Coffee Break**
- 11:45 – 1:00 pm** **Rethinking Multilateral Approaches to Fissile Material Security**
- Discussion of how existing tools should be expanded and new initiatives developed to strengthen the global fissile material security structure and enhance international cooperation.
- Moderator/Commentator:** Elizabeth Turpen, Associate, Booz Allen Hamilton, United States
- Marcos Castrioto de Azambuja, Vice President, Centro Brasileiro de Relações Internacionais, Brazil
 - Roger Howsley, Executive Director, World Institute for Nuclear Security, Austria
 - Anita Nilsson, Director, Office of Nuclear Security, Department of Nuclear Safety and Security, International Atomic Energy Agency, Austria
 - R. Rajaraman, Emeritus Professor of Physics, School of Physical Sciences, Jawaharlal Nehru University, India

1:15 – 2:15 pm

Keynote Lunch:

The Necessity and Benefits of Improved Fissile Material Security

Review of the broader transparency, nonproliferation, and accountability benefits to be gained from improved fissile material security.

- Gareth Evans, Co-Chair, International Commission on Nuclear Non-Proliferation and Disarmament and Chancellor, Australian National University, Australia

2:15 – 3:30 pm

Rationale and Challenges of Eliminating the Civil Use of HEU

Examination of the security benefits of phasing out HEU from the civil sector and challenges that must be overcome to make its elimination viable.

Moderator/Commentator: Mark Fitzpatrick, Senior Fellow for Non-proliferation, International Institute for Strategic Studies, United Kingdom

- Rob Adam, CEO, South African Nuclear Energy Corporation (NECSA), South Africa
- Thomas B. Cochran, Senior Scientist, Nuclear Program, Natural Resources Defense Council, United States
- Ole Reistad, Research Scientist, Department for Nuclear Safety and Radiation Protection, Norwegian Radiation Protection Authority and Norwegian University of Science and Technology, Norway

3:30 – 3:45 pm

Coffee Break

3:45 – 4:45 pm

**Defining a “Next Generation Nuclear Security Initiative”:
Where Do We Go from Here?**

Exploration of the new mindsets, partnerships, and tools needed to advance nuclear security in a globalized world.

Moderator/Commentator: Ariel Levite, Nonresident Senior Associate, Carnegie Endowment for International Peace, Israel

- O’Neil Hamilton, CARICOM Coordinator for UNSCR 1540, Caribbean Community (CARICOM) Secretariat, Jamaica
- Caroline Jorant, International Nuclear Affairs and Nonproliferation Consultant, France
- Kenneth Luongo, President, Partnership for Global Security, United States

4:45 – 5:00 pm

Closing Remarks

5:00 – 7:00 pm

Cocktail Reception

Supporting Events

Pre-Summit Press Briefing (Invitation only)

Tuesday, April 6 from 12-2pm

Members of the media are invited to attend a panel briefing by Fissile Materials Working Group Steering Committee members who will provide background information on fissile material security issues, key challenges to preventing nuclear terrorism, and what to look for at the governmental nuclear security summit. Ample time for Q&A, educational materials, and lunch will be provided. This event is sponsored by The Stanley Foundation.

Contact: Sean Harder (563-264-6880 or sharder@stanleyfoundation.org)

Cocktail Reception (Invitation only)

Monday, April 12 from 5-7pm

All *Next Generation* summit participants are invited to join their colleagues and special guests of the Scoville Fellowship program at a cocktail reception to immediately follow the summit. This event is partially sponsored by the Herbert Scoville Jr. Peace Fellowship program.

Contact: Alexandra Toma (202-728-8686 or atoma@connectusfund.org)

Strategy Session (Invitation only)

Tuesday, April 13 from 8:30 – 11am

International *Next Generation* summit participants are invited to join members of the Fissile Materials Working Group to discuss next steps for advancing the nuclear security agenda around the world. Attendees will begin building the international network of support necessary for bringing accountability to global nuclear security priorities. Breakfast will be provided. This event is sponsored by the Carnegie Endowment for International Peace's Nuclear Policy program.

Contact: Michelle Marchesano (202-332-1412 or mmarchesano@partnershipforglobalsecurity.org)

Post-Summit Press Briefing (Press Only)

Tuesday, April 13

30 min. after President Obama's remarks on the summit

The phone line will remain open for 2 hours.

Call-in number and URL: TBA

All press are invited to join members of the Fissile Materials Working Group in a video conference call analyzing the governmental summit's outcomes and next steps for the global community. Time for Q&A will be provided. This event is sponsored by the Fissile Materials Working Group.
