Pre-Summit Press Briefing (Invitation only)

Tuesday, April 6 from 12-2pm

Members of the media are invited to attend a panel briefing by Fissile Materials Working Group Steering Committee members who will provide background information on fissile material security issues, key challenges to preventing nuclear terrorism, and what to look for at the governmental nuclear security summit. Ample time for Q&A, educational materials, and lunch will be provided. This event is sponsored by The Stanley Foundation.

Strategy Session (Invitation only)

Tuesday, April 13 from 8:30 – 11am

International *Next Generation* summit participants are invited to join members of the Fissile Materials Working Group to discuss next steps for advancing the nuclear security agenda around the world. Attendees will begin building the international network of support necessary for bringing accountability to global nuclear security priorities. Breakfast will be provided. This event is sponsored by the Carnegie Endowment for International Peace's Nuclear Policy program.
